SWISSPORT LAS RATIFICATION UPDATE

Friday, August 22, 2014, the members voted <u>unanimously</u> to ratify the proposed agreement between the International Association of Machinists and Aerospace Workers and Swissport Fueling of Nevada.

Reaching this agreement could not have been done without the dedication of your negotiating committee and the support of the membership.

The details of the newly ratified changes are available from Chief Steward, Jeff Falconer and Pipeline Operator, Phil Snoy.

The new work rule changes go into effect Saturday, August 23, 2014.

Details of when the signing bonus and retroactive pay will be paid will be posted when available.

In solidarity,
