AER LINGUS IRISH AIRLINES RATIFICATION VOTE

The Aer Lingus ratification vote was rescheduled and conducted on April 23, 2015, at Local Lodge 1894 in Jamaica, New York. There was a strong turnout and the Tentative Agreement that was collectively bargained, and signed by both the Union and Aer Lingus, on March 25, 2015, was ratified by an overwhelming majority of the members who participated in the ratification process.

The employee Negotiating Committee would like to thank everyone for their strong show of support and their participation in this process.

Please do not listen to rumors and address any questions you might have to your shop stewards and Negotiating Committee members for accurate answers and up-to-date information. All members will be kept advised of any and all future developments.

Sincerely and fraternally,

Michael Manzo
