SWISSPORT – PHX

Modified TA Ratifies

Brothers and Sisters,

After rejecting the original Tentative Agreement earlier this week, the employees at Swissport Fueling – Phoenix have ratified a modified TA. The modified TA will provide a signing bonus to the new members ranging from \$225 to \$1000, based on length of time with the Company. This is the first contract for the recently organized employees at Swissport Fueling at the Phoenix Airport. This agreement will cover the approximately 120 fuelers. We want to thank the employees for their solid support to make the agreement possible!

We will begin working on implementation dates and getting copies of the final agreement to all employees. Should you have any questions or concerns, please contact your steward or Randy Griffith, your General Chair.

Fraternally,

David Supplee
**President & Directing
General Chair**
