

You are IAM...

They are IAM...

Together, WE are the largest transportation union in America!

**i am
the
IAM**

- Our Union is made up of workers across over 200 different industries. Those industries are broken down into eight territories under the IAM Grand Lodge.
- As Flight Attendants, we fall under the Transportation Territory, and our General Vice-President of Transportation is Sito Pantoja, who began his career at Trans World Airlines.
 - Within the Transportation Territory, we have three districts, made up of different transportation work groups. XJT Flight Attendants are members of District 142.
- Within District 142, there are several local lodges, made up of aviation professionals from ExpressJet Airlines, Southwest Airlines, Alaska Airlines, Hawaiian Airlines, American Airlines, British Airways, and many more!
- The IAM's network supports well over 400,000 members, including ExpressJet Flight Attendants. This can only be attributed to our 129 years of representational experience!
