The 2nd TA document and the whole TA document will be available on the DL 142 website and through the Company intranet. Additional details concerning the ratification process will be released shortly. Your employee representative committee worked long and hard to achieve this deal that places you at the top of the regional industry and fully support it. This Committee unanimously recommends a **YES** vote on this Tentative Agreement. Your patience and solidarity have been instrumental in reaching this Agreement that you deserve.

With best wishes we remain

Sincerely and fraternally,
