OPENSKIES UNION POSITIONS

Sisters and Brothers:

We would like to inform you that Francois Bisi has resigned his position as shop steward for personal reasons. We want to extend our gratitude for Francois' hard work on behalf of his IAM Brothers and Sisters.

Also, at this time we would like to announce that we are looking for potential volunteers for both the shop steward position, as well as hotel committee. If you are interested or would just like more information on these positions, please call or email me at [281-827-3965](tel:281-827-3965) or sgonzales@iamDL142.org

While we are still seeking to fill these positions, please contact me directly with any issues you may be experiencing at work and need the Union to address.

In Solidarity,

Sara Gonzales
