## **OPENSKIES BASE CLOSURE UPDATE**

---

Sisters and Brothers:

Attached you will find the finalized agreement regarding the OpenSkies U.S. base closure. You will be required to individually sign a General Release in order to receive your severance package as the agreement indicates. We are waiting on the Company to determine if this release will be mailed to you or if it will be sent electronically. In addition we are waiting on the details of how and when your lump sum payments will be made and if it will be via direct deposit. We have also inquired if you will be given some sort of temporary ID issued for your travel. We were hoping to have answers on these issues before sending out a communication but are still working to get them from the Company.

Once we receive answers to these remaining questions we will advise you as soon as possible.

In solidarity,

Sara Gonzales  
GENERAL CHAIR
