# COVID-19 FLIGHT ATTENDANT UPDATE

---

Sisters and Brothers:

We know these are difficult times to be working as a flight attendant. Please continue to follow all guidance regarding COVID-19 and if you are feeling ill or experiencing any symptoms please do not come to work. If you have questions regarding attendance please contact your union representatives.

The Union has contacted both CommutAir and ExpressJet and requested a moratorium on attendance occurrences related to call outs during this time as long as they are accompanied by a doctor's note.

We are still awaiting final adjusted block hours for next month from United which will affect staffing requirements. We will be in communication once we know what staffing required will be for April.

Some overnight cities have suspended restaurants from operations but most are allowing delivery services. If you are in a location without food available please e-mail us at [sgonzales@iamDL142.org](mailto:sgonzales@iamDL142.org) so we can ensure the issue is addressed.

In solidarity,

  
Sara Gonzales  
GENERAL CHAIR

  
Marche Cooper  
SPECIAL REPRESENTATIVE
