## **SUBODH UPDATE 4.3.2020**

---

Sisters and Brothers:

We've heard your concern as it pertains to United's virtual townhall meeting. We immediately reached out to ExpressJet Chairman and CEO Subodh Karnik as it pertains to 50 seat flying, asking for clarification on what was stated. We will continue to remain in communication with the company and will update you once we have more information on this subject.

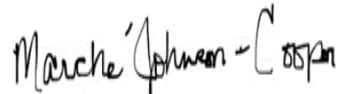

Subodh shared the following information with us:

- He will send out an all-hands email soon – to address that topic.
- Please don't interpret their comments to mean that ExpressJet is in imminent danger. In fact we have been busy taking delivery of the 36 Trans States aircraft for the past few days.

Should you have any questions please reach out.

In solidarity,

  
Sara Gonzales  
GENERAL CHAIR
