IAM – AIR WISCONSIN MRP NEGOTIATIONS TENTATIVE AGREEMENT REACHED

After a resumption of meetings, with all being conducted under the auspices of the National Mediation Board with Mediator Jane Allen, a Tentative Agreement (TA) has been reached between the Union and the Company. This new TA addresses the shortcomings of the previously failed TA and provides the much deserved and needed economic gains and long-term financial job security for the membership. The highlights of this Agreement are as follows:

- Improved language throughout CBA
- **Crew Chief premium to \$2.65/hour**
- Maint. Base protection with no sunset date
- **Amendable date of Sept 20, 2023**
- Mediation if 12 months beyond amendable date
- A&P License Premium to \$2.50/both
- **Inspector Premium to \$2.00/hour**
- Avg. Wage increase of 18.4%
- **Highest Wage increase of 26.2%**
- Wage increases beyond amendable date

Your Negotiating Committee worked long and hard to achieve this deal that keeps you at the top of the regional industry and fully support it. This Committee unanimously endorses this TA and recommends a **YES** vote. A complete copy of the TA will be made available immediately on the District Lodge 142 website at www.iamdl142.org while hard copies will be mailed to each base. A bulletin with information about the future scheduling of ratification meetings will be released very shortly. With best wishes we remain,

Sincerely and fraternally,
