Please see your Negotiating Committee member to obtain a copy. As an important reminder the IAMAW Constitution does not allow for absentee ballots to be used in a contract ratification vote. Therefore, we want to emphasize to all members that they ***must be present*** at one of these meetings to vote. This Negotiating Committee again unanimously recommends your acceptance of this Tentative Agreement. Our thanks go out to all of our members for your patience and support in these negotiations. It was an integral part in achieving and maintaining your industry leading Agreement. With best wishes, we remain

Sincerely and fraternally,
