IAM / AIR WISCONSIN RATIFICATION VOTE INFORMATION

Voting on the recently released Tentative Agreement reached with your carrier was conducted over the last week at the DAY, MKE and ATW maintenance bases. With approximately 70% of the eligible membership participating in this ratification, the Tentative Agreement was accepted by a majority of the voting membership.

This has been a long and arduous journey that has spanned many years. This Tentative Agreement keeps you atop of the industry in a secure position while allowing the benefits contained therein to allow the Company to compete, attract and retain new people in a super competitive industry.

Your Negotiating Committee wishes to thank everyone who participated in this process and ratification vote. Your patience and solidarity was instrumental in seeing this process to a successful conclusion. With best wishes we remain

Sincerely and fraternally,
