## **Signature Flight Service ORD - Ratifies Agreement**

---

---

Sisters and Brothers:

Congratulations to Our Members at Signature Flight Service ORD. On November 4, 2021 the members ratified an agreement that secured them a large increase in pay across the board. In a difficult climate like the airline industry our members were able to make strong gains in their wages and preserve their position at the table with a solid agreement.

I would like to thank Vito Laurino for a job well done and look forward enjoying the gains of today in preparation for tomorrow.

In Solidarity
