Jetstream Members Overwhelmingly Accept Tentative Agreement

Sisters and Brothers:

On November 18, 2021, the Jetstream members overwhelmingly ratified the tentative agreement. This agreement provides wage increases of over 6%, with another increase of over 3% one year after ratification. The new agreement also provides for a quarterly attendance bonus of \$200. The new agreement will remain in effect through December 31, 2023.

We want to thank all those participated in the ratification! Copies of the new contract are being printed and will be distributed once they are received.

Fraternally,

Carrie J. Lessley
