## **IAM DISTRICT 142 LAUNCHES NEW WEBSITE**

Dear Sisters and Brothers:

As part of our continued growth, and in conjunction with our move to Phoenix, Arizona, District 142 is proud to announce the launch of our brand-new website.

You can access the new website at: <https://www.iamdl142.org> -or- <https://www.atd142.org>. If you haven't already, add one or both addresses to your Favorites and/or Bookmarks in your favorite web browser.

The new website is another important part of the next chapter in our history. It will enable us to better inform our membership, as well as giving you access to forms and resources you need as a member of the IAMAW.

While visiting our website, take a moment to sign up for our Email List so you can get important email updates from District 142 specific to your contract, workplace and carrier, as well as general interest bulletins and committee reports. We would also like to encourage all our members to connect with District 142 on social media. You will find links to all our social media accounts at the top of each page of our website.

We look forward to connecting with all our members and getting you involved with the great work we are doing. The best is yet to come! With best wishes, we remain

Sincerely and fraternally,
