IAM Air Transport District Lodge 142 Election Results Update:

September 28, 2022

Sisters and Brothers,

The IAM District Lodge 142 Nomination results from the Local Lodges are still being tallied by the District 142 Election Tellers who are making the required calls to all candidates.

We are also waiting on all Local Lodges' official nomination results to arrive via USPS, as required, to the District 142 Election Tellers.

We will keep all updated as this progresses.
