PREPARATIONS BEGIN FOR COMMUTEAIR NEGOTIATIONS

Dear Sisters and Brothers:

Preparations for Contract Negotiations between IAM District 142 and CommuteAir have begun.

In January of 2023, your District 142 leadership met with CommuteAir leadership to explore the possibility of opening negotiations early. While the company was originally open to this option, they were ultimately not able to find time in their schedule. Despite this setback, we look forward to opening negotiations in July of 2023.

Your participation is essential if we are to obtain the best possible contract for our members. In the coming weeks a **Call for Contract Proposals** will be sent out to our membership at CommuteAir. After your District 142 Negotiating Committee reviews the proposals that you submit, a survey of the membership will follow. This is your opportunity to have your voice heard in order to ensure that your negotiating committee is fully aware of the wants and desires of the membership.

Please be mindful of upcoming communications from District 142 and help spread the word to your fellow members. If you have not signed up for email alerts from District 142, please go to the website at <https://atd142.org> and click on the button titled “Join Our Email List.” Fill out the form and check the box for “CommuteAir.” You will receive all the latest notifications and alerts related to your contract negotiations directly to your email inbox.

Thank you for your commitment and solidarity. Together we can bring a contract back to the membership that you deserve. With best wishes we remain,

Sincerely and fraternally,
