**IAM/BRITISH AIRWAYS CUSTOMER SERVICE AND ENGINEERING
NEGOTIATIONS SURVEY**

Dear Sisters and Brothers:

IAM District Lodge 142 has prepared an online survey for our British Airways Customer Service and Engineering members. Your participation in this survey is one of the most effective ways for you, the members, to get involved with your negotiations. By completing this survey, you will be communicating to your negotiations team the issues that matter most to you. This will enable our negotiation team to effectively present your proposals to the company.

This QR code and the link below it will take you to the online survey for the upcoming British Airways Negotiations.

Your negotiating team strongly urges you to complete this survey before June 26, 2023, so that we may compile the results promptly and begin negotiations on schedule. Our goal will be to bring back to our members the best Tentative Agreement for you to vote on.

If you have any questions or concerns, please reach out to your Shop Stewards and/or General Chairs. We appreciate your support through this process, and we will keep you updated every step of the way. With best wishes, we remain,

Sincerely and fraternally,

John M. Coveny, Jr.
