**GRIEVANCE MANAGER PROGRAM (GMP) STEWARD UPDATE**

Dear Sisters and Brothers:

We wanted to remind all stewards that there is currently no automatic email send functionality in GMP. For the time being, you **must** print out your grievances and present them on paper to your management representative. As we continue to progress through implementation, we will continue to develop and enable different functions in GMP, with communicating being one of them. Until such time, please adhere to the above, and please let all the other Stewards in your stations know about this.

The GMP steward training will kick off during the week of August 21, 2023, via the Zoom platform. Additional scheduling information will be released later this week. Please keep an eye out for that information. With best wishes we remain

Sincerely and fraternally,

John M. Coveny, Jr.
