

**The Machinists Union (IAMAW), formed in 1888,
represents nearly 600,000 members
in North America!**

**The Aircraft Mechanics Fraternal Association (AMFA),
formed in 1962, represents less than 6000 members.**

IAMAW

AMFA

The power and
experience of 136 years
representing its
members

Only 62 years experience
with little to no growth in
membership numbers

Contracts at over 20 air
carriers, air service
companies, and aerospace
corporations

Contracts at 7 air carriers

Active on Capitol Hill since
the mid 1920's

PAC formed in 2021

More than 1100 local lodges

5 local lodges

**When it comes to your union representation,
the numbers matter!**
