IAM/MCGEE AIR SERVICES NEGOTIATIONS UPDATE

Dear Sisters and Brothers:

Your District 142 Negotiations Committee met with McGee Air Services at its headquarters in Renton, WA, last week.

Throughout the week, multiple proposals were exchanged along with significant dialogue. Your Committee continued to draft and modify proposals, building on the work they recently completed at District 142 Headquarters in Phoenix, AZ, during the week of March 10th.

We are coordinating dates and times to host another round of Teams sessions. These online video sessions will allow you to hear from your Negotiations Committee and ask any questions you may have. A follow-up bulletin with session dates and times and QR codes will be posted and emailed to the membership shortly.

Remember that these bulletins and official Teams sessions serve as your official sources for information. Rumors often circulate during these times, so please ensure you are obtaining accurate information by attending the Teams sessions and speaking directly with your negotiators.

Sincerely and fraternally,

John M. Coveny, Jr.
