

## **Veterans Committee Report Sunset Room 6 at the Planet Hollywood Resort**

Committee Chair: Melissa Hopson  
Recording Secretary: Kevin White  
Member delivering report: Kevin White

The Veterans committee convened during the week of March 18-19, 2025. A roll call was conducted showing all assigned delegates present and accounted for.

We'd like to thank our facilitators, General Chair Dave Figueira and Ken Coley for providing guidance.

The committee realizes there are issues connecting and educating our Veterans on resources and benefits available to them. We must find ways to connect with our Veterans within our membership to educate them about benefits and services that are offered and ways to connect within their community. Therefore, this committee recommends that The District establishes a Veterans Committee to assist in guiding our Locals.

This newly established Veterans committee will prioritize encouraging and promoting Veterans committees at Locals. secondly, this committee also recommends the District hosts a Veterans Committee Summit, in which each local will be encouraged to send at least one delegate to open communications and interest to help ensure all Locals have established Veterans Committees or a local contact.

Lastly, this committee Recommends the District provide a direct link on the District website to the preexisting Internationals Veterans webpage

Thank you, Brother Chair, This concludes the Veteran Committees report and I move for its adoption.
