DISTRICT 142 MEMBERS AT MCGEE AIR SERVICES OVERWHELMINGLY VOTE YES FOR TENTATIVE AGREEMENT.

Dear Sisters and Brothers:

District 142 members at McGee Air Services have overwhelmingly voted **YES** for their new Tentative Agreement.

◆ What's New?

The redline CBA clearly outlines every proposed change, giving you full transparency on what's different. The old language will have a strike through it, while the new language will be in red. Any language in blue signifies that it is language previously in the CBA, just moved to a new section. The Highlight Sheet provides a quick reference of the most important improvements, including:

Ratification Bonus, Wage increases across all steps, and increased PTO accruals and maximum banks.

We've fought hard for a contract that reflects your dedication, protects your rights, and strengthens our position for the future.

"We would like to sincerely thank our members at McGee Air Services for your support, strength, and solidarity leading up to this vote," said IAM District 142 President/Directing General Chair John M. Coveny, Jr. "You have earned this through your continuous hard work, professionalism, and dedication to your craft."

If you have any questions or concerns, contact your Shop Stewards or General Chair. Thank you for your support and solidarity.

Sincerely and fraternally,

John M. Coveny, Jr.
