IAM/AIR WISCONSIN CONTRACT ENFORCEMENT AND LEGAL DEVELOPMENTS

Dear Sisters and Brothers:

We want to take a moment to address the current situation and assure you that your Union is actively engaged in addressing legal matters that have arisen. We are fully committed to enforcing the terms of our collective bargaining agreement to the fullest extent possible. Your rights, protections, and the integrity of our contract remain our top priority.

While there is some uncertainty surrounding the legal process, we want you to know that we are working diligently with our legal team and will keep you informed as developments unfold. Transparency and communication are essential, and we will continue to provide updates as soon as we are able to share verified information.

We appreciate your patience and solidarity during this time. If you have any questions or concerns, please do not hesitate to reach out to your local representatives or your General Chair.
