IAM/Lufthansa Technik Negotiations Update

Dear Sisters and Brothers:

The Union has formally responded to the Company's latest proposal, and we are now awaiting their reply. Once the Company provides its response, we will promptly work to reschedule negotiations and continue moving the process forward.

We want you to know that meaningful progress has been made. The Company has moved closer to our position in several key areas, and we are now working through the final details needed to bring this to completion.

Your bargaining team remains fully committed to securing a contract that reflects your value, protects your rights, and delivers the improvements you deserve. We appreciate your continued support and unity as we work through the final stages of this process.

Sincerely and fraternally,

John M. Coveny, Jr.
President/Directing General Chair
