M&R and COFPS IAM Members at Air Wisconsin Overwhelmingly Ratify Collective Bargaining Agreements

Dear Sisters and Brothers:

IAM District 142 is proud to announce that the Tentative Agreements covering both the M&R and COFPS groups at Air Wisconsin have been overwhelmingly ratified by the membership.

These agreements represent the collective voice and determination of our members, and we commend you for your participation in this important process. Your engagement ensures that your contracts reflect the priorities and needs of the membership.

District 142 extends its sincere gratitude to all Air Wisconsin members for your incredible patience, unwavering support, and solidarity throughout this long process and the many challenges faced along the way. Your unity and commitment have made this achievement possible.

As we move forward, IAM District 142 will work hand in hand with Air Wisconsin to implement the terms of these agreements and ensure they are fully realized on the property. We remain committed to supporting our members every step of the way.

If you have any questions or concerns, please don't hesitate to reach out to a Shop Steward, Negotiating Committee member, or General Chair.

Thank you again for your continued strength and solidarity.
