IAM/Menzies ORD 474 Negotiations Survey

Dear Sisters and Brothers:

In response to the recent ratification vote, District 142 has prepared this survey to better understand the priorities of our IAM/Menzies ORD 474 members. As we prepare to return to the negotiations table soon and continue discussions, your input is essential. The survey gives each member an opportunity to rank the issues that matter most, helping guide our negotiating committee as we work toward securing a strong contract that reflects your needs and earns your support.

District 142 remains committed to representing our members' best interests at the bargaining table, and your participation in this survey will help ensure those interests are clearly heard. Please take a few minutes to complete the survey no later than **August 7, 2026**. Your feedback is important to this process, and we sincerely appreciate your support, patience, and steadfast solidarity as we continue working together toward a positive outcome.
