IAM/Signature Flight Support MDW Negotiations Survey

Dear Sisters and Brothers:

Following the rejection of the Tentative Agreement (TA) last week, the Union has secured a short-term extension from the Company to allow two primary things to happen. The first is to ascertain the current issues with the TA using an online survey. The information and links needed for all members to participate in this survey are included in this bulletin. The second primary task will be to correlate the survey responses and reconvene with the company shortly thereafter. The deadline to complete the survey will be 5:00 p.m. Central Time on September 4, 2026. Your participation in this survey is **critical** before returning to the bargaining table, so please take a few minutes to complete it and ensure your voice is heard.

To access the survey, use the link below or scan the QR code if completing on a smartphone or tablet:
