Date: August 14 - 2026

TO: All Association Sisters and Brothers

The TWU-IAM Association Tech Ops Contract Proposals/Survey remains open through **August 31, 2026**, for members to submit for the upcoming **2027 contract negotiations**.

Website: www.techopsassociation.org

As negotiations approach, member involvement is more important than ever. The Association Negotiating Committee relies on feedback from the membership to identify priorities, address concerns, and develop bargaining proposals that reflect the needs and expectations of the workforce.

We strongly encourage all members to participate in this process. Do not assume that someone else will submit a suggestion on your behalf or raise an issue that is important to you. The strength of our negotiations depends on the collective voice of the membership, and every submission helps provide a clearer understanding of what matters most to our members.

Whether you have a new idea, a workplace concern, or a recommendation for improving our contract, this is your opportunity to help shape the Association's bargaining objectives and priorities.

Be Involved. Be Heard. Make a Difference.

Active member participation is essential to ensuring that the Negotiating Committee represents the interests of the membership as effectively as possible during the 2027 negotiations. Your feedback today can help influence the direction of our future contract.

Submission Deadline: August 31, 2026

Thank you for taking the time to participate and strengthen our collective voice.

Member involvement is the foundation of a strong contract. If it matters to you, make sure your voice is heard

Faternally,

The TWU/IAM Association Leadership
