TWU-IAM Association Survey/Proposal Submission Deadline Extended

The TWU-IAM Association M&R Leadership would like to inform our members that we have decided to extend the deadline for survey and proposal submissions until midnight **September 8, 2026**.

Due to technical issues that affected the process, along with the significant number of submissions we have already received, we want to ensure that every member has a fair opportunity to participate and have their voice heard.

Please share this information with your coworkers to help ensure everyone is aware of the extension. If they have not yet submitted their survey or proposal, they still have time to do so. However, we encourage everyone not to wait until the last minute.

Thank you for your continued participation and engagement.

In Solidarity,

TWU – IAM Association M&R Leadership
